

Leon Studio One

Coronavirus update and message

As always we will continue to take same day and next day appointments

Our hours will be Tuesday-Friday from 9am-7pm.

Saturday 8am-5pm plus limited hours and locations on Sunday and Monday.

We at **Leon Studio One** are being **proactive** in doing our part to minimize the coronavirus. We have asked all of our staff to please stay home if they are experiencing any symptoms, and ask our clients to do the same.

We also have set up a system to **sanitize every surface** and tool that you will come in contact with before every service is performed. Our goal is to provide a **germ free zone** for you to feel comfortable when you come in for your visit.

In addition **we will be exercising social distancing of 6 feet** between every client and limit the amount of people that are in the salon at any given time to 6.

Also, everyone who has an appointment **must come by themselves** or we will have to turn you away.

Together as a country we will get through this tough time.

We thank you for your loyalty and **please be safe!**
